

Sarnia-Lambton OHT – Partner Profile

LAMBTON COUNTY DEVELOPMENTAL SERVICES (LCDS)

Number of employees: 230
Number of years in business: 66

Lambton County Developmental Services (LCDS) has been providing support to adults with developmental disabilities for over 66 years now! We started back in 1955 when a group of parents, whose children had developmental disabilities, came together while dreaming of a life without limitation for their loved ones. Supporting people is what we do. We focus on ability. We respect each person's life and path are unique, and each person has different needs and desires.

Mission: *Empowering people with developmental disabilities*

Vision: *Inclusive Communities ~ Innovative Leaders*

Core Values: *Care, Connection & Excellence*

Services & Supports

LCDS takes great pride in offering a variety of support options and services for people we support. Support options include: Residential Services (group living, supported independent living, host family, and residential care home), Community Participation, Passport Funding, Supported Employment (Empowering Employment) and Social Enterprises.

SL - OHT

LCDS is both excited and thankful to be a partner with Sarnia-Lambton OHT - it clearly aligns with our organizational mission, vision and core values. This partnership allows us to advocate and give a

Not About Me, Without Me

voice to the people we support and their families while fostering and creating new opportunities for community collaborations and potential partnerships within our sector and beyond. We believe the Sarnia-Lambton OHT will provide improved access to care, support, information and resources for all residents of Sarnia-Lambton.

Living & Working in Sarnia-Lambton

We are fortunate to live, work and play in this great community. Quite simply, Sarnia-Lambton is a community that cares and supports its people. It is a beautiful community and has so much to offer.
